Removal of Existing Chimney Stacks

Second Floor Opening Under Construction

HAMPSTESAD, LONDON NW3

**Client:** Mr. & Mrs. A. Summer  
**Architect:** BB Partnership Ltd.  
**Structural Engineer:** O'Connor Sokolowski Partnership  
**Contract Administrator:** O'Connor Sokolowski Partnership  
**Party Wall Surveyor:** Davis Brown  
**Contractor:** B & H Construction Ltd.

Remodelling of two terraced 4 and 5 storey residential buildings to convert from 3 dwellings to a house and apartment. The works included removal of chimneystacks, strengthening of existing floors & roofs and construction of new openings in the party wall separating the buildings at first and second floor levels. The building was partially occupied (at basement and ground floor levels) during the alterations and no temporary works through the building were permitted. (Value: £100k approx.)
